

Attention 4-H Swine Exhibitors:

Please note the following changes regarding the 2015 Indiana State Fair:

- **Swine Arrival New for 2015:** Upon arrival, all trucks and trailers must enter **Gate 16 from 42nd Street** to receive an unloading number.
 - a. Once inside Gate 16, enter the infield through the Drive Tunnel West.
 - b. Once in the infield, you will be directed to the swine check in line.
 - c. Animals must be inspected by designated department staff.
 - d. Pen pigs and move in supplies. Pens will be assigned by the State Fair personnel under the department superintendent's supervision. **Each 4-H swine exhibitor will be assigned one (1) pen for their hogs. However, 4-H exhibitors with only one animal may be required to share a pen(s).**
 - e. **New for 2015:** Exhibitors will be charged a \$100 fine/pig that is checked in, but **not** unloaded off trailer. Exhibitor may not show until fine is paid in full.
 - f. **All tack will be stored on gates above the pens. Gates will be provided. No individual tack pens allowed unless approved by the Department Superintendent or First Assistant. Must see information regarding alteration or removal of stall or pen structures including gates.**
 - g. **Once a 4-H vehicle is backed up to unload at the swine barn, the 4-H family will have 15 minutes to unload their hogs and their tack. At the end of this time, the vehicle will be towed if it hasn't been moved.** All 4-H trailers and large trucks must be parked in the 46th Street lot; therefore, as soon as your unloading has been completed, move your "rig" following the route designated by the traffic department.
 - h. Transportation will be provided for exhibitors from the 46th Street lot to Gate 1 (Main Gate on 38th Street) and from the same location to the 46th Street lot.
